

Kelli's Kloset Baby Shower Sponsorship

What is the purpose of a Kelli's Kloset in-prison baby shower?

The purpose of the in-prison baby shower is actually two-fold. First of all, it allows the expectant mothers in prison to enjoy a normal social event and get excited about becoming mothers, as well as giving them a chance to actually be the first ones to dress & bathe their babies. Secondly, it provides some much-needed supplies to help the already overburdened caregivers get a jumpstart on caring for the baby. Through a collaboration with the Indiana Women's Prison Family Preservation Center, Angel's Wings has been granted permission to conduct in-prison baby showers, providing each expectant mother with a diaper bag for baby and a gift for herself. The goal is to work together to make this experience as normal as possible, given the situation. No matter what circumstances surround this birth, a child is coming into this world and his/her very first day should be a special one!

What does it mean to "sponsor" an in-prison baby shower?

Here are a few options:

- ⇒ Provide the financial resources to sponsor an entire baby shower. The cost is approximately \$750 to provide the diaper bags filled with supplies, a gift bag full of goodies for Mom, and food & decorations for the event. You write the check and Angel's Wings volunteers do the shopping!
- ⇒ Your group does all of the shopping and puts all of the bags together, then donates the money for Angel's Wings volunteers to purchase the food and decorations, as well as conduct the shower.
- ⇒ Your group does all of the shopping, puts all of the bags together, provides the food & decorations, and even volunteers for the event!
